#### The motion passed.

The Board reconvened in regular session and took a brief recess until 2:40 P.M. The Board Secretary returned to the meeting.

#### Chief Administrative Officer's Report

Ms. Maloney referred the Board members to her written report for a detailed summary of the System's activities since the last Board meeting.

#### PERAC Notification—M.G.L. c. 32, § 91A Excess Earnings

Ms. Maloney reported to the Board that PERAC has provided the names of four additional disability retirees that had not complied with the filing requirements of

G.L. c. 32, § 91A regarding their 2016 Annual Statements of Earned Income. Show cause hearings were scheduled, but were not held, as all retirees had subsequently complied.

With respect to the two retirees with excess earnings in 2016, neither has signed and returned the revised payment agreements. A second request has been sent to each member.

#### 1099R Processing

Preliminary Form 1099R testing has commenced. Despite prior consideration to outsource the printing and mailing of the 1099R forms, this will continue to be done in-house for 2017. Benefit affidavits, however, will be outsourced next year.

#### **Employer Reporting**

Ms. Maloney reported that while the Town of Ayer has resumed submitting payroll files, Lincoln Sudbury Regional School District is posted through August 2017 only. Ms. Maloney will follow up with a phone call to the Treasurer to rectify the situation. In addition, she will inform the unit of the Board's concern about the lag in their payroll filings, which potentially will impede the data collection associated with the 2018 actuarial valuation.

#### FY 2018 Appropriation

Ayer Housing Authority was notified of the changes to its FY 2018 and FY 2019 appropriations and, despite repeated requests, still has not responded to whether it objects to the methodology used. Assuming there are no concerns, Segal has prepared a revised FY 2018/2019 appropriation schedule which PERAC will use to issue a revised FY 2018 appropriation for the System as a whole.

#### 2018 System Valuation

In preparation for the 2018 actuarial valuation, the data clean up continues. Matt Halko, the System's intern, has been assisting with this effort.

#### Investments

Ms. Maloney deferred to the investment report delivered at the Advisory Council meeting held earlier today.

The Board reviewed the cash balance sheet and financial condition of the System.

#### Globespan Capital Partners IV

After review,

On motion duly made by Mr. Curtin, Seconded by Mr. Brown, it was moved to ratify consent to extend the term of the Globespan Capital Partners IV Fund until December 31, 2019.

The motion passed.

#### State Street Transition

Ms. Maloney reported that planning is underway with respect to the transitioning of the System's custodian bank services. While the transfer of cash is not problematic, the appropriate entity responsible for performance reporting of the System's illiquid assets is still not resolved. The Chairman wants to ensure the System's historical performance record is preserved in this process. The Board and Ms. Maloney will continue to explore the best approach with respect to performance reporting of the System's illiquid assets.

#### **Truck Purchase**

The new truck registration is complete and has been corrected to reflect that the Middlesex County Retirement System is the rightful owner, not the defunct LLC. During the registration process, it was discovered that the System's name was not changed from the Middlesex Retirement System to Middlesex County Retirement System with the Internal Revenue Service. Ms. Maloney has submitted a request for name change. The Board expressed its appreciation to Ms. Maloney for her efforts in this process.

Finally, Ms. Maloney outlined tasks to be completed in the next ninety days which include, to prepare for and complete the Form 1099R process, to close and balance 2017 System financial data, to prepare demographic, assets and liabilities files for the System's actuary, among others.

This concluded Ms. Maloney's report.

At this time, the Chairman delivered his report.

#### PERAC Update

PERAC's Commission meeting is being held today.

As discussed previously, PERAC has issued Memo #28/2017 which sets forth the Board's fiduciary obligations relative to the selection of the Board's fifth member. For the next meeting, the Chairman will draft a new policy for the Board's consideration which will comply with PERAC's memorandum.

#### **PRIM Update**

The Chairman deferred to PRIM's detailed presentation delivered earlier today at the Advisory Council meeting.

#### **Litigation Report**

The Chairman deferred to his litigation report delivered earlier today at the Advisory Council meeting. He detailed the financial impact of the recent Appeals Court decision in the matter of Worcester Regional Retirement Board v. CRAB, MCRB & Brian Pierce.

#### NCPERS Research Series - Unfunded Liability

The Board reviewed and discussed the key arguments in the NCPERS Research Series article entitled: Don't Dismantle Public Pensions because they aren't 100 Percent Funded, which concluded that as long as annual contributions and investment income exceed benefit payments, pension funds can continue to operate in perpetuity. In an effort to educate critics of public pensions, the Board considered using excerpts from the article in an upcoming newsletter and on the System's website.

#### Second Employment Position

At the last meeting, the Board tabled the discussion of the fair and equitable implementation of the draft supplemental regulation pertaining to the treatment of wages received pertaining to second employment positions.

#### Following an extended discussion,

On motion duly made by Mr. Brown, seconded by Mr. Gibson, it was moved to approve the supplemental regulation as presented and amended.

#### **Building Report**

Mr. Nangle reported favorably on the recently purchased truck and stated the sander is expected to be installed this week. The new windows have been installed in the offices, and Murphy Construction will commence work associated with the Valley Collaborative bathroom renovations shortly. Painting of the MCRS offices is also expected to begin shortly to coincide with staff absences. During the System's annual fire alarm inspection, it was discovered that an emergency light needed to be replaced. Two other outside lights are in need of repair and will be replaced.

The Board thanked Mr. Nangle for his report.

The Chairman continued his report by commenting on the positive feedback received regarding the Fall/Winter newsletter.

Finally, with respect to the Attorney General's new open meeting law requirements, the Chairman stated a review of meeting agendas and minutes is in order and will continue to be a work in progress.

There being no further business to come before the Board, on motion duly made by Mr. Healy, seconded by Mr. Kearns, it was moved to adjourn at 4:05 P.M.

Respectfully Submitted,

Nancy O'Neil, Board Secretary

Thomas F. Gibson, Chairman

Brian P. Curtin, Vice Chairman

John Brown, Elected Member

Joseph W. Kearns, Elected Member

Robert W. Healy, Appointed Member
