To Which Group Do I Belong?

Your retirement board classifies you in a Group on the basis of the position you hold. If you are in doubt about which Group you are in, please consult with your retirement board. The four Groups are as follows:

- **Group 1:** "Officials and general employees including clerical, administrative and technical workers, laborers, mechanics and all others not otherwise classified." (Most people are in Group 1.)
- **Group 2:** Among the members of Group 2 are "Public works building police; permanent watershed guards and permanent park police; University of Massachusetts police;" and many other specific positions including but not limited to fire or police signal operators, and ambulance attendants of a municipal department who are required to respond to fires. (The type of employment classified in Group 2 tends to be somewhat more hazardous than employment in Group 1.)
- **Group 3:** This Group is entirely made up of members of the Massachusetts State Police.
- **Group 4:** Among the members of Group 4 are "members of police and fire department not classified in Group 1," and many other specific positions including but not limited to correction officers, parole officers or parole supervisors, and certain enumerated employees of a municipal light plant. (Generally speaking, Group 4 encompasses the most hazardous occupations.)

Instructions

When you apply for retirement, you may select one of three retirement allowance payment Options (A, B or C). For the Option selection to be valid, this completed form must be filed with your retirement board:

- On or before the date the board receives your written application for retirement, or
 - On or before the date your allowance becomes effective, or
 - Not more than 15 days after the board receives a written application for your involuntary retirement from your department head.
1. You may change your Option selection before your retirement becomes effective by filing a new form.
 2. You may not change your Option selection once your retirement becomes effective.
 3. **If no Option selection is made, your allowance will be paid under Option (B).**
 4. If you are married, the spousal acknowledgement at the end of this form must be signed by your spouse.

1. Explanation of Retirement Options

After reviewing **ALL** of the retirement options below, please select **ONE** option by checking the corresponding box in **Section 5** on page 6.

Option (A) No Payment to Beneficiary

This Option provides for a full retirement allowance payable in monthly installments during your lifetime. All allowance payments will cease upon your death and no benefits will be provided for any survivors.

Do not complete sections 3 & 4.

Option (B) Lump Sum Payment to Beneficiary

The payments under this Option are smaller than under Option (A). The annuity portion of your allowance is reduced to allow a lump sum benefit for your named beneficiary(ies). Upon your death, your named beneficiary(ies), or if there is no beneficiary living, the person or persons appearing in the judgment of the retirement board to be entitled thereto will be paid the unexpended balance of your annuity account. Please note that the contributions comprising the annuity account will be depleted within approximately twelve to fifteen years depending upon your age at retirement. The longer you live, the less will be paid to your beneficiary(ies) upon your death. If your account has been fully depleted, nothing will be paid to your named beneficiary(ies). You may designate and change at any time, one or more beneficiaries to receive in designated proportions, the lump sum Option (B) benefit. This Option takes effect upon your retirement and supercedes any prior beneficiary selections. **Do not complete sections 2 & 4.**

Option (C) Payment of Allowance to Beneficiary

Election of Option (C) provides for a monthly retirement allowance during your lifetime that is less than you would receive under either Option (A) or Option (B). Upon your death your designated beneficiary will be paid a monthly allowance for the remainder of his or her lifetime. That allowance will be equal to two-thirds of the allowance that you were receiving at the time of your death. The monthly allowance you receive under Option (C) is based upon life expectancy factors for you and your designated beneficiary. Only your spouse, former spouse who has not remarried, mother, father, sister, brother or child may be designated as your Option (C) beneficiary. The younger your beneficiary, the smaller your retirement allowance will be. If, after you retire, your Option (C) beneficiary predeceases you, you will thereafter be paid the full retirement allowance you would have received had you elected Option (A) at the time your retirement allowance became effective. This conversion is commonly referred to as the Option (C) "pop-up". Please note that after the Option (C) "pop-up" takes place you may not name another Option (C) beneficiary or choose another Option.

Do not complete sections 2 & 3.

2. Option A Only

There is no beneficiary when Option A is selected. Of all three options, Option A provides the highest possible monthly allowance to a retiree. It does not provide for any continuing survivor benefits. Upon the death of the member who has selected Option A:

- All payments will stop.
- No future monthly payments will be made to anyone.
- No pay out of the remaining balance in the annuity account (if any) will be made.
- A pro-rata share of any amounts due at the death of the member (which will vary depending upon the date of the member's death) shall be payable to a recipient designated by the member.

I, , understand that in picking Option A only the amount of retirement allowance still owed to me at the time of my death will be payable to a recipient or recipients designated by me.

I hereby designate the following to receive the pro-rata share of my retirement allowance still due to me on the date of my death.

Middlesex County Retirement System: Frequently Asked Questions When Retiring

KEEP THIS DOCUMENT FOR YOUR RECORDS

1. *How and when do I file for retirement?*

In order to retire, you must file an application for retirement with the Middlesex County Retirement System. Notifying your employer of your intent to retire does not initiate the process with the retirement office.

You may file your application up to four months in advance of your retirement date. If your application is received within 60 days after your date of termination of service, your retirement will take effect on the date you terminated service.

If, however, you file more than 60 days after you separate from service, your retirement date must be no less than 15 days nor more than 4 months after filing your application with the retirement office. It will NOT be retroactive to the date you terminated service.

2. *What happens after I submit my application?*

Unless we notify you to the contrary, please assume that everything is in order with your application.

3. *Can I change my date of retirement or rescind my application entirely?*

Yes, as long as your retirement date has not passed, you can submit a written request to our office to change your date of retirement.

Similarly, as long as your retirement date has not passed, you can notify us in writing that you would like to withdraw your application for retirement.

PLEASE NOTE: As a retiree, you are paid in arrears. Accordingly, your date of retirement will have passed before you receive your first direct deposit. Be sure to rescind your application or submit your written request to change your date of retirement prior to your effective date of retirement.

No changes can be made to your retirement application once your retirement date has passed.

4. *Can I change my retirement payment option?*

Yes, as long as your retirement date has not passed, you may submit a **new** Choice of Option at Retirement Form. You must gather all necessary signatures.

PLEASE NOTE: As a retiree you are paid in arrears. Accordingly, your date of retirement will have passed before you receive your first direct deposit. Be sure to submit your new Choice of Option at Retirement Form prior to your effective date of retirement.

5. *When will I receive my first direct deposit?*

First payments are generally received 30 to 90 days after your date of retirement, depending on when your application was filed. Your benefits are retroactive to your date of retirement. Your monthly retirement allowance is directly deposited into your bank account on the last business day of the month. The Pension Payment Schedule is posted on our website and published in our biannual newsletters.

PLEASE NOTE: You will receive a Notice of Deposit with your first direct deposit payment, each July, each December and anytime there is a change to your monthly amount.

6. *How do I change my address? Tax withholding? Direct Deposit information?*

The necessary forms you need to complete to change your address and your tax withholding are posted on our website on the Resources Tab/Forms and Retirement Guides/Retiree Forms:

<https://middlesexretirement.org/resources/forms-and-retirement-guides/>. To change your Direct Deposit information, you must contact the retirement office to request a new Direct Deposit Authorization Form.

For security reasons, we require the **original** forms with an ink signature. Be sure to **mail** the forms back to our office. We do not accept scanned copies of the original documents. If you would like a form mailed to you, please call the office.

7. *I am entitled to Social Security benefits. When can you verify my retirement allowance from the Middlesex County Retirement System so the information can be shared with the Social Security Administration?*

Once your monthly retirement allowance is calculated, we will write a letter for you that you can send to the Social Security Administration. Please request the letter in writing by including a note with your retirement application or sending an email to mrs@middlesexretirement.org.

8. *Can I work after I retire?*

Yes. However, the retirement law limits the employment of all retired public employees who work in the Massachusetts public sector after retirement to **1,200 hours** of employment within a calendar year. In addition to the hours limitation, there is an earnings limitation. You can earn no more than the difference between what the position from which you retired is paying, less your retirement allowance. Effective the January 1st following one full calendar year of retirement, you are allowed to earn the difference between the current salary paid in your former position minus your allowance, plus an additional \$15,000.

In the private sector, there are no restrictions for **non-disability** retirees. If you are a disability retiree, however, you are still limited to earning the difference between the current salary for your former position and your retirement allowance, plus \$15,000.

9. *Can I make changes to my health insurance plan through Middlesex County Retirement System?*

Your health insurance coverage, if any, is provided by your former employer. Contact your employer to confirm the health insurance coverage for which you will qualify as a retiree. Be sure to ask about coverage for your spouse or other dependents while you are retired and in the event of your death. Upon direction from your former employer, the retirement office will deduct your health insurance premiums from your monthly retirement allowance.

10. *What are the tax obligations on my retirement benefit?*

Each year you will receive a Form 1099R from the Middlesex County Retirement System for tax purposes. While your retirement allowance is not subject to Massachusetts state tax, it is subject to federal tax withholding.

You will complete a W-4P Form upon retirement to instruct us regarding your federal tax withholding. You can update your W-4P Form at any time.

Please note that the retirement office cannot provide you with tax advice and you are encouraged to consult with a tax professional.
